

## Producer's statement

We hereby declare that all our products conform with either one of the following directives, regulations or laws in respect to their designated use:

The EU directive EN 71 for toys

or

The safety check program of TÜV Rheinland

or

The product safety law (GSG).

None of our products contains heavy metals. All our products conform with BGW regulations regarding raw materials and composition.

All our products are free of prohibited phthalates.

We further declare that our production line's emissions are far below all of the rigorous German environment protection laws limits.
